

Installing iBook G3 12" Battery

Author: iRobot

Tools used in this guide

- [Coin](#) (1)

Parts relevant to this guide

- [iBook G3 or G4 12" Replacement Battery \(New\)](#) (1)

Changing the battery is easy -- all you need is a coin.

Step 1 — Battery

- Use a coin to rotate the battery locking screw 90 degrees clockwise.
- Lift the battery out of the computer.

To reassemble your device, follow these instructions in reverse order.
