

HP Compaq 6510b Battery Replacement

How to replace a HP Compaq 6510b battery.

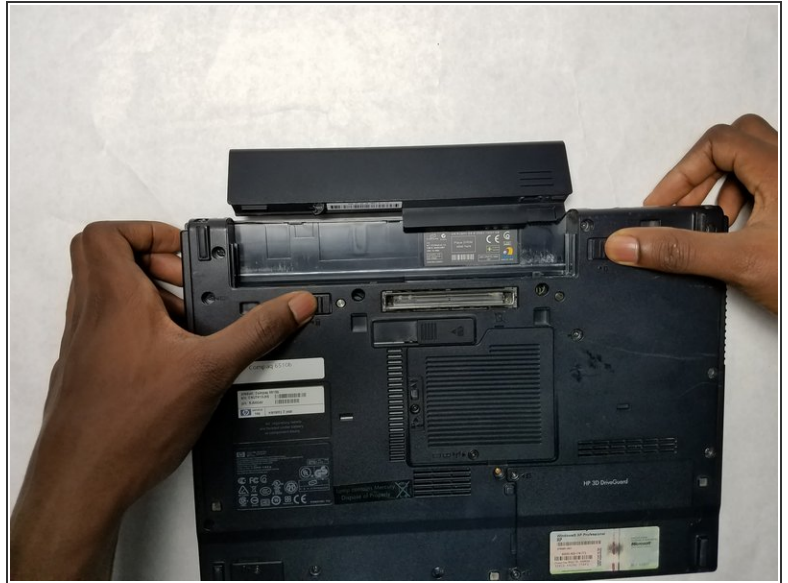

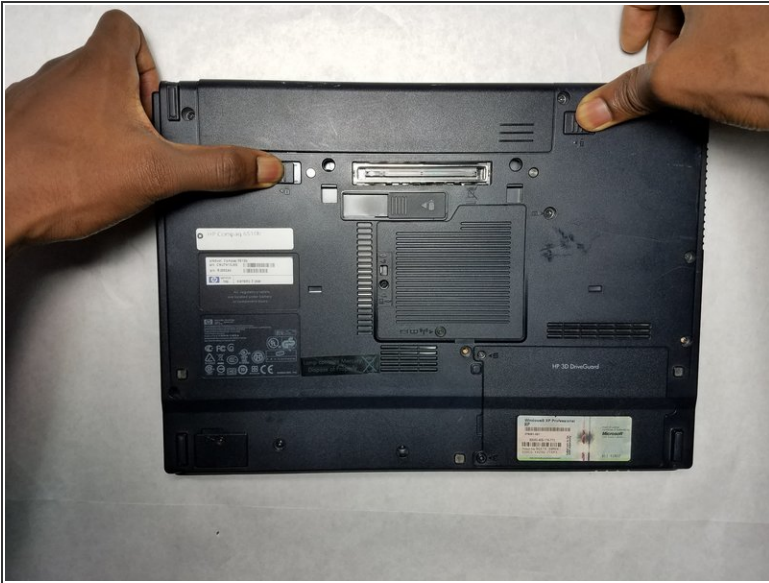

Written By: Vicky Doko

INTRODUCTION

We are going to teach you how to replace your dead battery on your laptop.

Step 1 — Battery

- Flip the computer over so the backside is facing you.
- Using the two prongs that are located in the back, slide the further left prong and the upper right prong to the left as indicated in the image.
- Slide the battery out.

To reassemble your device, follow these instructions in reverse order.
