

# Cherry Stream 3.0 Key Replacement

Repair/insert a key on cherry stream 3.0

Written By: Albertere Zweitausend

## Step 1 — Key

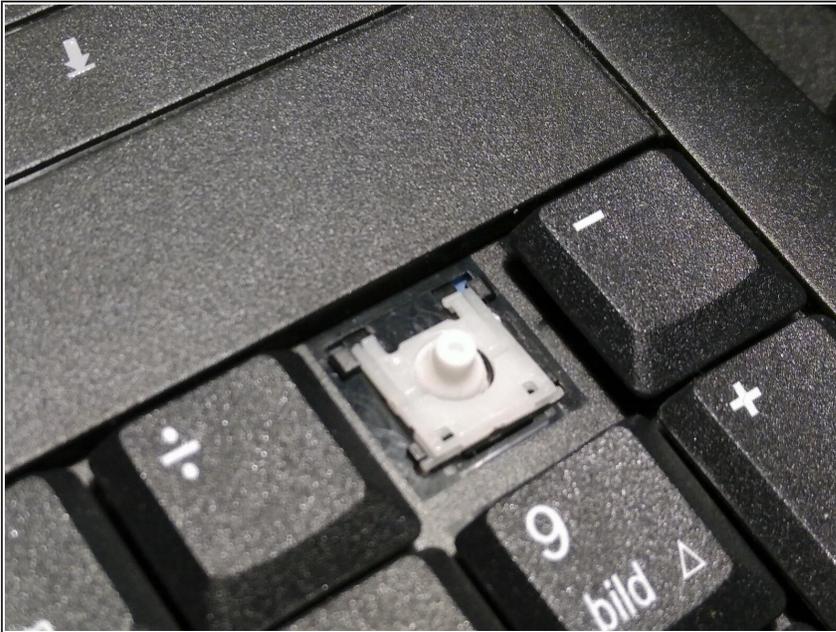

- That's how the problematic thing looks like.

## Step 2

- First insert the top edge.

### Step 3

- Simple release the plastic.

### Step 4

- Press the bottom edge down, to insert it at the bottom.

## Step 5

- To insert the key just squeeze it from above.
