

Droid Ultra XT1080 Volume Control Button Replacement

The procedure on changing the volume control button in a Motorola Droid Ultra.

Written By: knoyes

INTRODUCTION

This guide will show you how to properly change the power button on your device.

TOOLS:

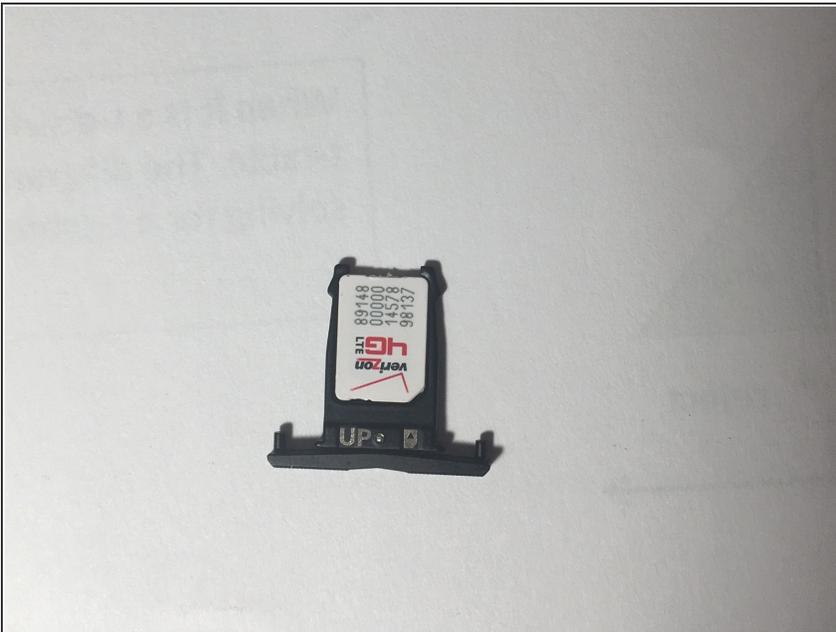

- [Spudger](#) (1)
-

Step 1 — Volume Control Button

- Gently remove the SIM card tray from the device using the spudger.

Step 2

- In the Motorola Droid Ultra XT1080 the SIM card tray also acts as the Volume control button.

To reassemble your device, follow these instructions in reverse order.
