Step 1 — Lenovo Ideatab A1000 Firmware Update

- From the Settings menu select:
- - About tablet
- - System update...

Step 2

- The tablet will download necessary files. Then it will restart and after that it will start the update.
- The update won't cause any loss of data, but if you have important data - make a backup (just for sure).
- **!!! Make update with fully charged battery (it's good to stay the charger contented with the tablet) !!!**
