## Step 5 — Sony Xperia TL Auxiliary Cord Replacement

- Use the plastic opening tool to unlatch the cord's ends off the motherboard and loud speaker module. The cord can be located on the right side of the phone.

Step 6 — Motherboard

- Use the Phillips #00 to remove the 3 5mm screws.

- Lift the plastic cover off.

- Use the plastic opening tool to pry the motherboard out of the phone shell.

Step 7 — Headphone Jack

- Use the plastic opening tool to detach the headphone jack from the motherboard.

- Remove the motherboard and slide the headphone jack out of its slot.

To reassemble your device, follow these instructions in reverse order.
