

Astro A40 Gen2 Ear Pad Replacement

This guide will show how to remove and replace the foam ear pads. This is necessary for reaching all internal parts.

Written By: Donavan Feliz

INTRODUCTION

In this step we will be removing the ear pads on either side. Remember that this step can be used for either side.

Step 1 — Ear Pad

- Pull one corner of the pad to release it from the headset.
- Pull the rest of the ear pad off.

To reassemble your device, follow these instructions in reverse order.
