

Sony Cyber-shot DSC-W55 Battery Replacement

This guide will show you how to replace the battery of the Sony Cyber-shot DSC-W55.

Written By: Eddie Lo

INTRODUCTION

We will explain the steps needed in order to replace a battery when the battery dies.

Step 1 — Battery

- Slide the battery cover in the direction the arrow points.
- Pull the battery cover towards you.

Step 2

- Flick the blue switch for the battery to pop out.
- Remove the battery from the camera.

To reassemble your device, follow these instructions in reverse order.
