

Nokia 6230b Battery Replacement

This guide will show how to replace the battery in your Nokia 6230b phone.

Written By: Christopher McKee

INTRODUCTION

The battery is held underneath the back cover of the phone and powers your device.

Step 1 — Back Cover

- Press down the button on the back panel.

Step 2

- Push the back cover upwards.

Step 3

- Remove the back cover from the phone.

Step 4 — Battery

- Lift the battery out from the phone.

To reassemble your device, follow these instructions in reverse order.
