

GeeksPhone Keon Battery Replacement

Replacing the battery on the GeeksPhone Keon.

Written By: Yanni Worthington

INTRODUCTION

If you are having issues with battery life or charging, use this guide to replace the battery.

TOOLS:

- [iFixit Opening Tools](#) (1)
-

Step 1 — Battery

- Insert the plastic opening tool into the seam between the front of the device and the rear cover.
- Slide the plastic opening tool from the bottom of the phone to the top.
- Use the plastic opening tool to free all the clips attached to the phone.

Step 2

- Lift the cover away from the phone.

Step 3

- Insert the plastic opening tool into the groove between the bottom of the phone and the battery.
- Lift the battery with the plastic opening tool and finish removing battery by hand.

To reassemble your device, follow these instructions in reverse order.
