Step 1 — Flip over your system

- Flip your machine over to the back.

Step 2 — Take off the tabs

- You'll see some outlined grey tabs on the outline of the back, get a spudger or something flat to pop them off.

## Step 3 — Warranty Sticker

⚠ There is a warranty sticker on the bottom that shows a tab, peeling it off will **<u>VOID</u>** your warranty.
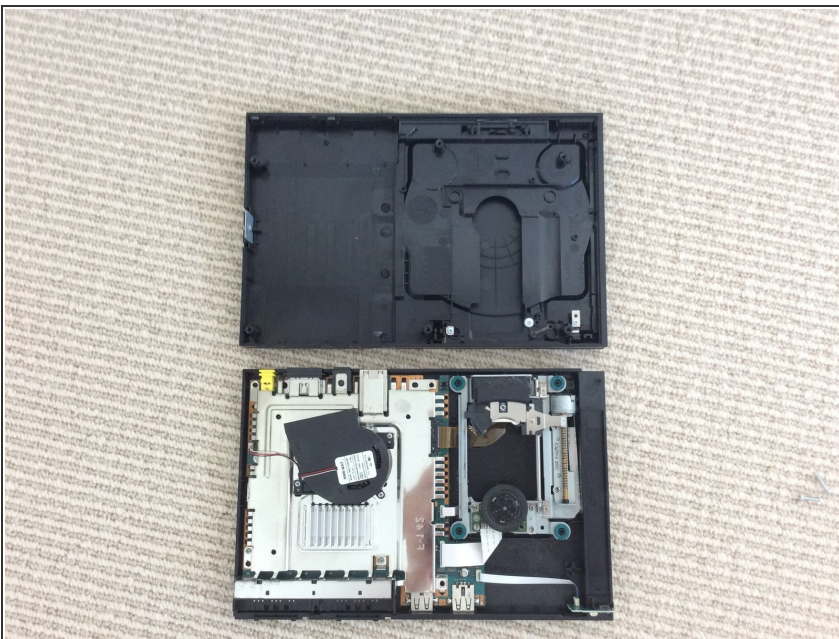

Step 4 — Unscrewing

● When you take off all the tabs, there should be a Phillip Head screw under each tab, unscrew them.

Step 7 — Get your replacement front cover

- Get your replacement front cover and prepare to put it back on.

Step 8 — Clipping

- Align the front cover and put the front cover firstly on the selected area.

Step 9 — Clipping

⊡ Make sure you clip the front cover onto the marked areas.

Step 10 — Screwing the screws

● Put the screws in their correct place and screw them into the Playstation 2.

Step 11 — Putting the tabs into their right place

- When done screwing, put the tabs into their correct places.

You have now put a new front cover onto your Playstation 2 superslim!
