

Asus Eee PC 1000HA Keyboard Replacement

This guide will show you how to replace the keyboard.

Written By: Ashlee Stickle

INTRODUCTION

This guide will show you how to replace or remove the keyboard on the Asus Eee PC 1000HA.

TOOLS:

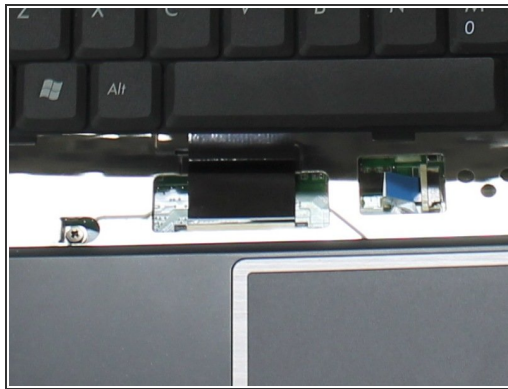

- [Metal Spudger](#) (1)
-

Step 1 — Keyboard

- Remove the battery before working on your device. See this [LINK](#) for a step-by-step guide.
- Insert the metal spudger under the keyboard.
- There are 3 clips located under the keyboard that hold the keyboard in place.

Step 2

- Once all 3 of the clips are unclipped the keyboard will pop out.
- Pull the black tab out to fully remove the keyboard.

To reassemble your device, follow these instructions in reverse order.
