Fujifilm X100T Battery Replacement

INTRODUCTION

Follow the following steps to replace a discharged or broken battery.

This document was generated on 2020-11-28 04:53:23 AM (MST).

Step 1 — Battery

Slide the small black tab on the bottom of the camera to the left to unlock the battery cover.

Step 2

- Push the orange tab up to release the battery.
- Slide the battery out of the camera.
- (i) Invert the camera to slide out the battery more easily.

To reassemble your device, follow these instructions in reverse order.
