

Maisto Rock Crawler Battery Replacement

Use this guide to replace the battery in your Maisto Rock Crawler

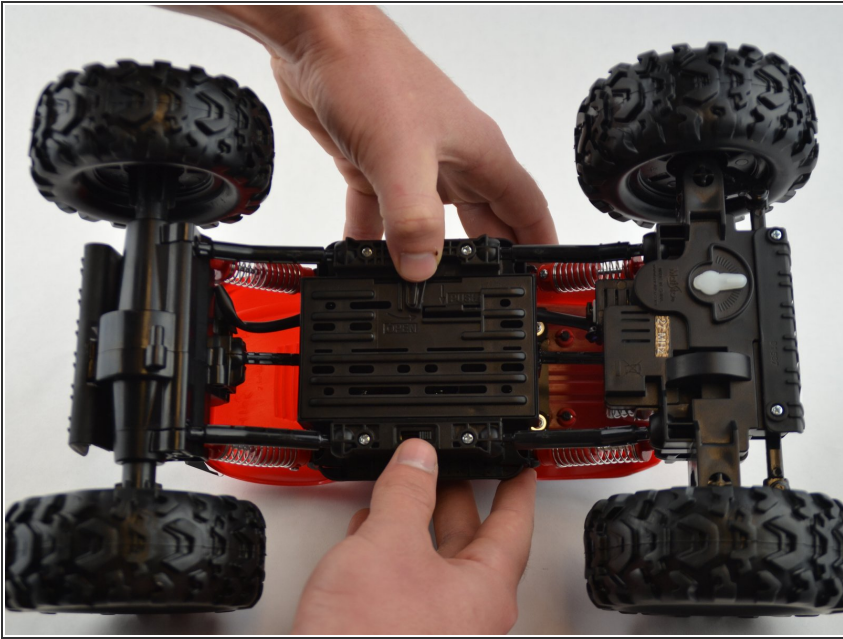

Written By: kevin

INTRODUCTION

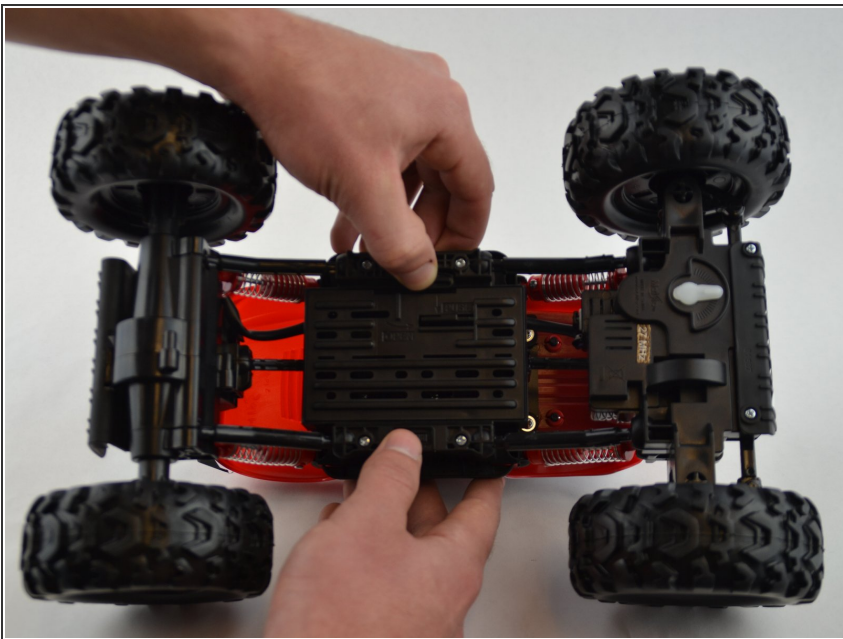

This guide will walk you through the process of replacing a dead or dying battery in a Maisto Rock Crawler.

Step 1 — Battery

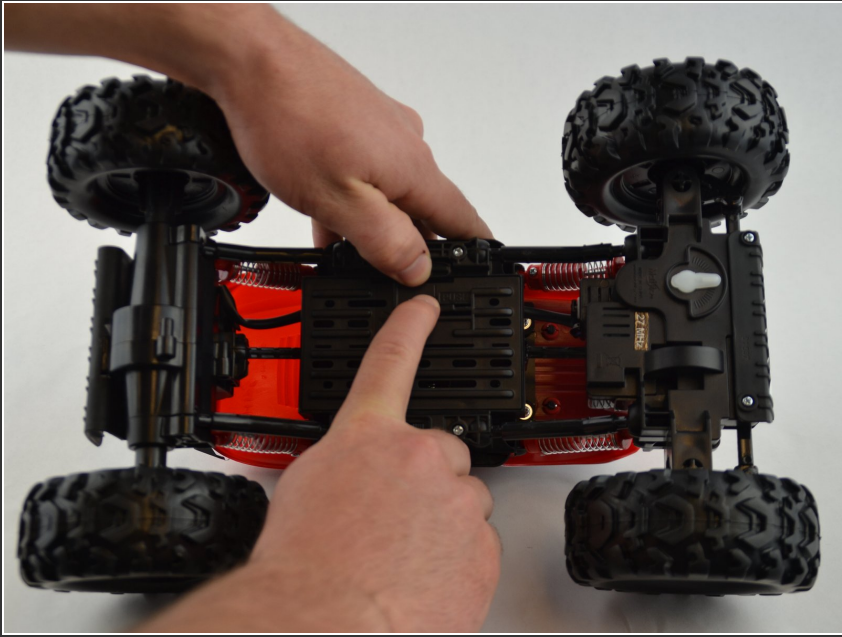

- Start by flipping the R/C truck over.

Step 2

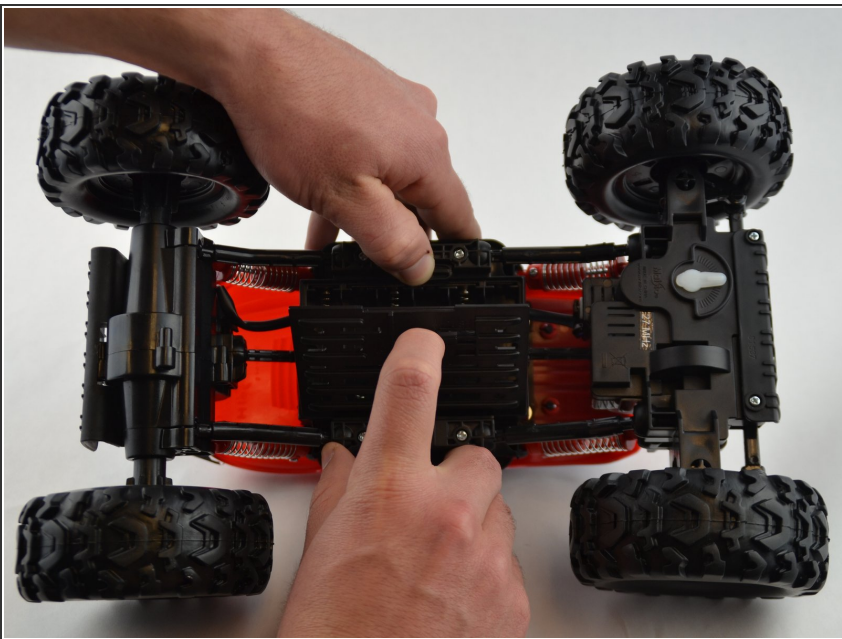

- Use one finger to flip and hold the battery cover switch up.

Step 3

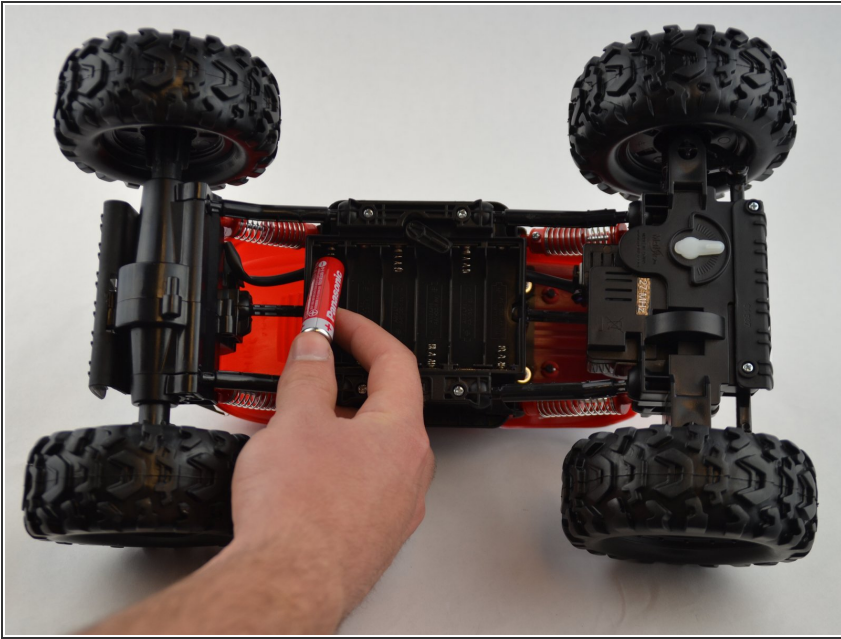

- Use another finger to hold down the battery cover clip.

Step 4

- While still holding the battery cover switch and battery cover clip lift off the battery cover.

Step 5

- Use your fingers to remove the old batteries.
- Install the new batteries following the battery placement diagram engraved on the R/C truck .

To reassemble your device, follow these instructions in reverse order.
