ZTE Majesty Speaker Replacement

How to replace Replacing Speaker

Written By: Gustavo Hernandez

🔧 TOOLS:

- iFixit Opening Tools (1)
- 64 Bit Driver Kit (1)

Step 1 — Battery

- Place your phone in the palm of your hand.

- You will notice the groove and that the back detaches from the phone.

Step 2

- Using either your finger or a plastic opening tool, pry the back off to reveal the battery.
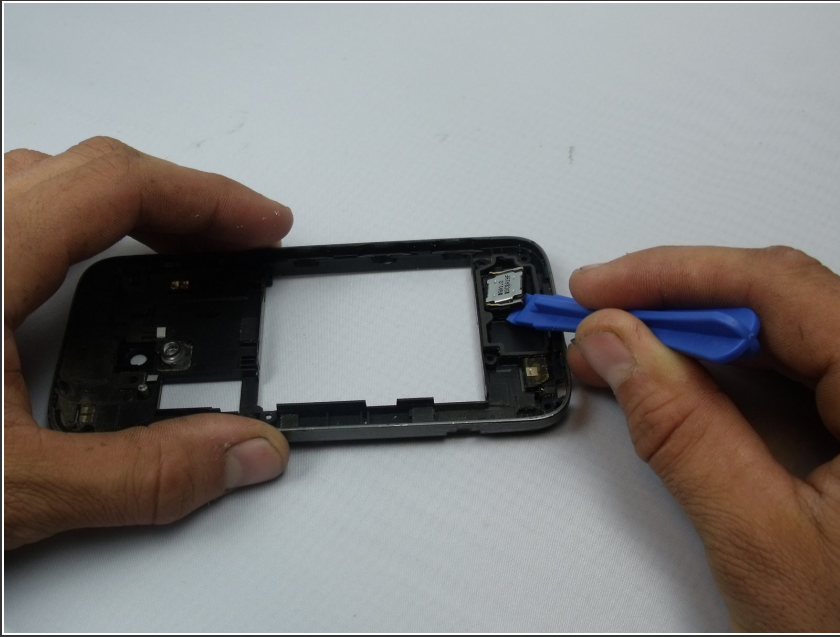

Step 3

- Pry the battery out of the groove in the phone with your finger.

Step 4 — Speaker

- Remove the back of the phone by removing the 9 PH000 shown
