

Samsung NP-N210-JA02US Battery Replacement

Replace the Battery in your Samsung NP-N210-JA02US.

Written By: Afif Chehabaldeen

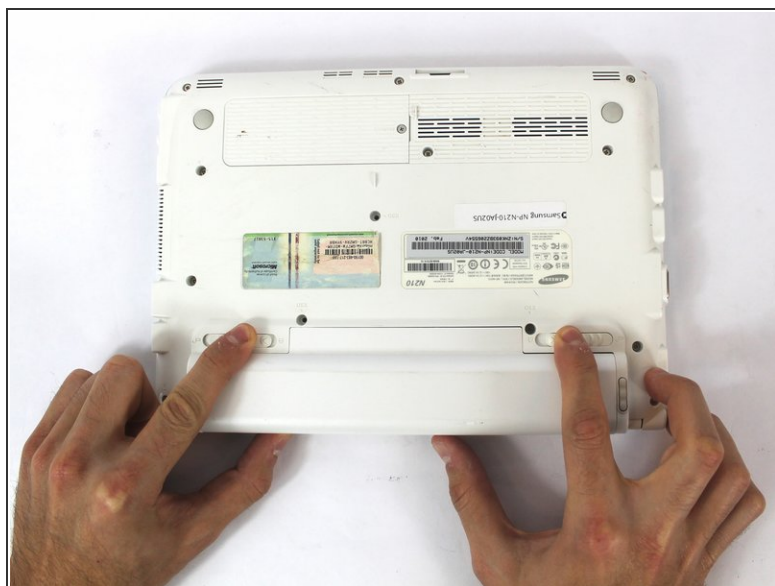

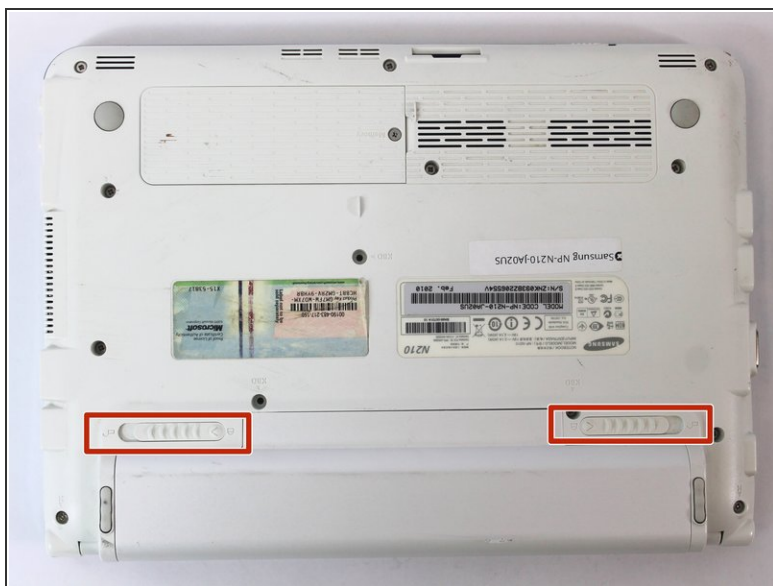

INTRODUCTION

Follow this guide to replace your battery.

Batteries generally contain hazardous materials. If disposing of the battery, please dispose of it properly following your country's rules and regulations.

Step 1 — Battery

- Carefully slide both locking pins to the unlocked position.

Step 2

- Slide the battery out of its housing.

To reassemble your device, follow these instructions in reverse order.
