

Sony Alpha A350 Battery Cover Replacement

If your battery cover is not working properly replacing it may solve your problems.

Written By: Sydney Duncan

INTRODUCTION

If your battery cover is damaged or missing you may need to replace it.

Step 1 — Battery Cover

- Open the battery cover.
- Identify the spring lever.

Step 2

- Push down on the spring lever.
- lift the cover upward until it is removed.

To reassemble your device, follow these instructions in reverse order.
