

Sony Alpha A350 Cable Port Door Replacement

If your Cable Port door is lost or damaged, replacing it may be the best option.

Written By: Sydney Duncan

INTRODUCTION

If your Cable Port Door is not functioning properly you may need to replace it.

TOOLS:

- [Heavy-Duty Spudger](#) (1)
 - [Phillips #00 Screwdriver](#) (1)
-

Step 1 — Cable Port Door

- Open the cable port door.
- Identify and unscrew the two Phillips #000 screws.

Step 2

- Use the heavy duty spudger to lift up the port door compartment.
- Remove the port door from the plastic body.

To reassemble your device, follow these instructions in reverse order.
