Step 3

- Turn the Blu-ray over

- Pry open the clips under and on the sides

Step 4

- Once all the clips are open, slide the front outer housing out.
Step 5 — Port Board

- Flip the Blu-ray back up

- Remove the ribbon connecting the port board to the motherboard.
- ⚠ Handle the circuits only on its side.

Step 6

- Use the PH1 to remove the 7mm screw on the port board.
