

# HP Pavilion 15-p Battery Replacement

If your battery has failed and you need to replace it, this guide will show you how to remove it from the system.

Written By: Nick

## PARTS:

- [HP VI04 Replacement Laptop Battery](#) (1)

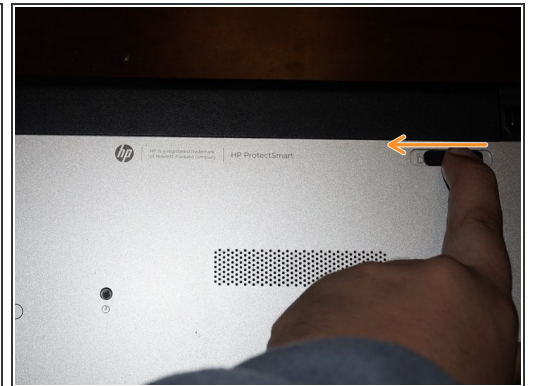

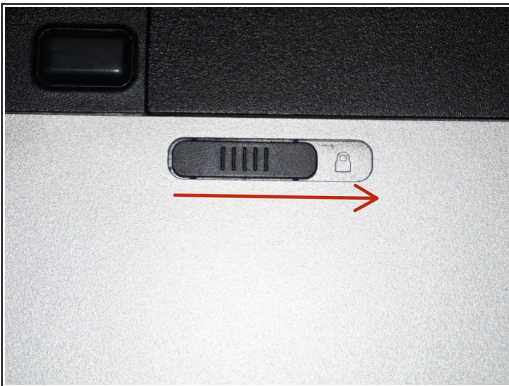

*HP Spare#: 756743-001*

## Step 1 — Prepare the laptop

- Shut the laptop down until it is hibernated or shut off. ***Do not remove power until both lights turn off.***

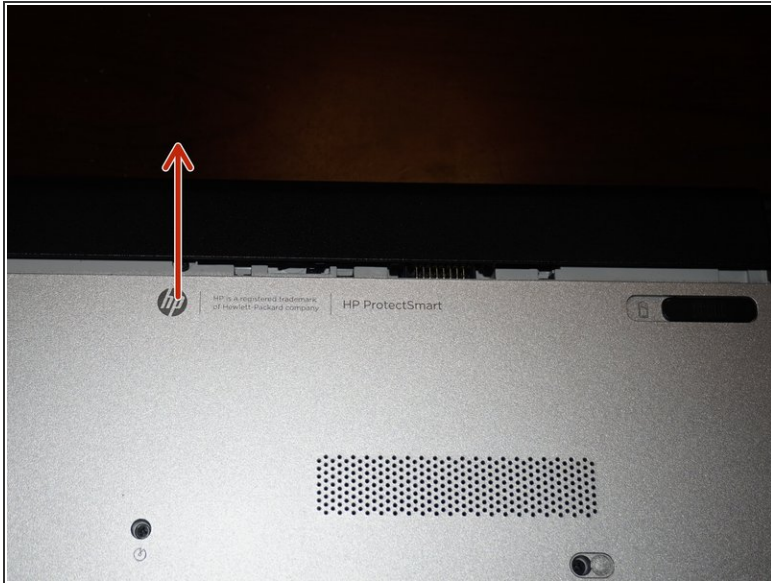

## Step 2 — Unlock the battery

- Once the computer is off, remove the battery. Switch the locking tab to the unlocked position.

### Step 3 — Remove the battery

- Remove the battery. Pull the battery forward and remove it from the laptop.

To reassemble your device, follow these instructions in reverse order.
