

Asus VivoBook S200E-RHI3T73 Fan Replacement

This guide will teach you how to replace the fan in your Asus VivoBook

Written By: Shilo Stuart

INTRODUCTION

If your VivoBook shuts down randomly, and the bottom feels hot, you may need to replace the fan to optimize your performance.

TOOLS:

- [Phillips #0 Screwdriver](#) (1)
 - [Tweezers](#) (1)
-

To reassemble your device, follow these instructions in reverse order.
