

ZTE Grand X Max Plus SIM Card Replacement

This guide will show you how to replace the SIM Card for the ZTE Grand X Max Plus

Written By: Jordano Baer

INTRODUCTION

The ZTE Grand X Max Plus supports 2 SIM Cards. This guide shows you how to remove a SIM Card from your phone.

Follow this guide if you want to replace the SIM card from your ZTE.

TOOLS:

- [Tweezers](#) (1)
-

Step 1 — SIM Card

 The ZTE Grand X Max Plus contains space for two SIM cards.

- Push one side of the tweezers into the hole.
- Pull the plastic piece holding the card.
- Remove the card.

Step 2

-  When you insert the new card, make sure it is inserted in the same way that the previous card was.
- You can repeat the same process for the other card.

To reassemble your device, follow these instructions in reverse order.
