

Samsung NP350V5C-T02US Battery Replacement

This guide will help assist in removal of the battery.

Written By: adam hinkel

INTRODUCTION

This guide helps users to replace the battery successfully by following these easy steps.

Step 1 — Battery

- Flip the laptop over so the bottom of the laptop is facing you.

Step 2

- Press and pull the two battery locks in the outward direction and pull the battery out. And then new battery can be replaced.

To reassemble your device, follow these instructions in reverse order.
